TELEPHONE**EMAIL****IMPORTANT INFORMATION**

The Codell Community Service Club is assisting with efforts to construct a memorial in recognition of the three tornadoes that struck Codell on May 20th, 1916, 1917, and 1918. As you may be aware, the chances of such an event are almost non-existent. The May 20th Tornadoes have been featured in Ripley's Believe It or Not! and can frequently be found referenced in lists of notable weather events.

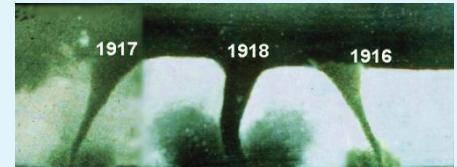

We currently have a design for the memorial by Tobias Flores and Danielle L. Robinson of Fort Hays State University, and expect the construction to be completed in time for the 100th anniversary of the last tornado that struck on May 20th, 1918.

We are currently accepting donations to help support construction costs of both the sculpture itself and the surrounding memorial. We appreciate any amount you are able to donate, and thank you for your generosity.

As a special thank you, we are offering individuals or businesses that donate \$200 or more a chance to be recognized in the sculpture itself. The funnel of the sculpture is 8' in diameter at its widest point and will be 12' tall, constructed out of 4" wide forged steel bars. During the forging process of these bars, we can stamp up to 75 characters of text. Donors giving \$200 or more are eligible to have their names or other message* engraved in these bars and be included in the sculpture. We must receive completed forms and payment by **February 24, 2018** to have stamps included in the sculpture.

Again we thank you for your support, and please don't hesitate to contact us if you have any questions or concerns!

*subject to approval

**ENGRAVING TEXT**

Please return completed forms to and make checks out to: Codell Community Service Club at PO Box 153 Plainville, Kansas 67663

If you have any questions regarding the memorial itself, please call Joel Russell at 785-650-7974.
